

2015 January North Lakes Homeowners Monthly Meeting

Venue and Time

- 6205 NW 77th St.
- January 19, 2015 from 7 pm to 8 pm.

Attendees

Bobbi Zink, Richard Brennan, Curtis Wilkie, Tim McCoy, Alex Maslow, Woody and Maria Acosta

Upcoming Projects

- Some of the panels (specifically "panel 8") on the wall running along Montclair are in very bad shape. We will be looking to replace the panels that are in critical shape for the short term. As a long term solution, we will be entertaining wall options.
- The creek by the large open common area to the big lake has erosion and the top side rocks are collapsing. We will bring someone out in the spring time to come up with a solution and bid to stabilize the top side rocks.
- The neighborhood spring cleaning day is coming up in a couple of months. To get many neighbors involved, we are entertaining two days to choose from to volunteer your time to beautify North Lakes for the summer. We will discuss the neighborhood spring cleaning days and projects at the next monthly meeting in March.
- North Lakes Garage Sale TBA.

Pet Waste

- There have been multiple concerns of pet waste in public and private areas of the neighborhood. As a good neighbors, let's pick up after our pet's waste to keep North Lakes clean and beautiful. There is a KCMO ordinance that speaks to this topic. Refer to Sec. 14.20 at https://www.municode.com/library/mo/kansas_city/codes/code_of_ordinances?nodeId=PTIICOOR_CH14AN. Your assistance in this matter is greatly appreciated.
- The above website provides the complete KCMO ordinance related to animals.

KCMO.org Website Resources

- Beyond our neighborhood website (<http://www.northlakesliving.com>), there are a number of useful resources at the KCMO website.
- For holiday trash and recycling pick up, refer to <http://kcmo.gov/publicworks/trash/holiday-schedule/>.
- I know it has not been too big of an issue this winter season, but the following KCMO snow removal updates and information can be found at <http://kcmo.gov/publicworks/snow/>.

Neighborhood Roster

- After months of collecting updated contact information, we are going to distribute the roster. We understand that some residents may not want to be in the roster so we are sending out an opt out form with the next HOA dues mailing. Instruction for opting out will be in the next HOA dues mailing. **Due to request, we are extending the neighborhood roster distribution date further so we will be sending another flyer in the 2nd quarter HOA dues mailer. One more chance to opt out.**

2015 January North Lakes Homeowners Monthly Meeting

New Lake Signs

- Brad Gossett is volunteering his time to design and build new "catch and release only" and "private lake" signs for both the big and small lake. We are looking to add 2 and 1 signs to the big and small lakes, respectively.

Architecture Requests

- We take pride in our homes and we continue to improve them which adds value to our homes and in the end the entire neighborhood. As a reminder, we have bylaws and restrictions and as good neighbors we should adhere to them. We have a process to review and approve any changes done to the outside of your home. Architecture Request Forms can be downloaded from <http://www.northlakesliving.com/rules--forms.html>. Fill out the forms with the improvements and changes you seek and submit them to northlakeskc@gmail.com.
- As a reminder, the walls along Montclair are property of North Lakes. As a result, any modifications or changes to these walls are not allowed by any resident. We appreciate your cooperation and support!

Want to get involved?

- North Lakes could use a few more at large board members and committee members. If interested, please contact one of your board members.
- We are looking for volunteers to take down, store and put up the Holiday Wreaths along the neighborhood walls along Montclair. If interested, please contact one of your HOA board members.
