BE A GOOD NEIGHBOR!

- Keep your cars off sidewalks to allow for pedestrian traffic
- Keep your trash cans out of sight
- If replacing your fence, check with adjoining neighbors as well as the ARC to get their input on style/size
- Keep your lawn mowed and free of weeds
- Be respectful of noise levels; barking dogs, running vehicles, loud music
- Remove Christmas decorations from the outside of home
- Get Approval from the Architectural Committee on any proposed changes- Swimming Pools, Decks, Fences, Basketball Goals, Satellite Dishes, Painting and Roofs. Basically, any change in the exterior appearance

QUARANTINE BOREDOM-BUSTERS!

- Use some pillows and a pair of dad-size T-shirts to "sumo wrestle."
- Transform foam pool noodles-cut in half- and turn them into marble tracks
- Spider's web: Turn the hall into a spider's web: with tape or wool. Go through without touching it!
- Foot drawings: Are you able to write your name with your foot or draw a house?
- Pillow fight: Nothing like a pillow fight to release tension and laugh out loud.
- Play volleyball with a balloon.
- Treasure map: Hide an object and then draw a treasure map of your house, mark the spot with an X.
- Collective drawing: Draw on a piece of paper and then someone else must complete the drawing.
- Basketball: Use a bucket or a bin... Each time you move the 'basket' further away.
- Catwalk: Anything goes. Open the wardrobe and play with impossible combinations.
- Family tree: Outline your own family tree, see how far back you can go.
- Hot and cold: Hide an object. The only clues you can give to find it is 'cold' for far and 'hot' for near.
- Homemade Tent: Collect fabrics and blankets and set up your own tent
- Write a diary: Write down what you've done every day. It will become special with time.
- Have a movie/camp night (with popcorn), where everybody sleeps in the living room.

NOTES FROM YOUR BOARD PRESIDENT JAY JACKSON

We would like to thank both Janine Kluckhohn & Jeff Ruble, who recently resigned from the HOA board, for their many sacrifices, time & service. Janine Kluckhohn was our Newsletter Chair for the past 3 years and created many professional & creative newsletters. Janine was instrumental in elevating our social media platform & an important liaison between the HOA & Heatherstone Elementary while serving as PTO president. Jeff Ruble served as our Pool Chair for the past 5 years, managing Heatherstone's most important & popular asset. Jeff along with his wife Jessica successfully tackled many important tasks ensuring that our pool remained clean, safe, & secure.

We are pleased to welcome some new Board additions & changes in 2020! Michelle Emmons has accepted the role as our Newsletter Chair. She has extensive experience creating informative neighborhood newsletters while in her professional role as a Keller Williams Realtor. Brandon Armstrong will join the Board as one of our Co-Social Chair along with Dmitriy Luneva. They will continue to ensure that Heatherstone hosts many exciting & memorable activities for our residents. Finally, we are excited to announce that Mike Leach has transitioned from Co-Social Chair to the Pool Chair. Our existing members, along with our new members will ensure we continue to have a neighborhood our families can enjoy and be proud to live in.
