

Heatherstone Summer Newsletter

July 2010

A Note from our Board President, Pat Murray

Summer is in full swing! The pool is our neighborhood pool and we need all residents to take care of it as if it were in your own back yard. Please close the umbrellas after you are done with them, and pick up any trash before leaving. Again this year we are padlocking the pool after hours to discourage vandalism. We have replaced the two signs at the main entrance of the subdivision. **REMINDER:** Please put your trash cans out for pickup Thursday night and store them in your garage the remainder of the week. Trash cans should not be stored where visible from the street; we appreciate everyone complying to keep our neighborhood looking good! We are still looking for more volunteers to join the board. Please consider any of the open positions advertised in the newsletter and come to one of our monthly board meetings this year. If you have any questions or comments, please don't hesitate to call me.

****Please note the pool will close early to allow for the movie enjoyment****
