LETTER FROM THE BOARD

What a wonderful turnout we had in December for the neighborhood holiday gathering at the home of our neighbors Rebecca and Christopher Herring! A special thanks to the Herrings for opening their home to more than 100 of you who mingled on a snowy night with delicious appetizers and bountiful drinks on hand. As always, thank you neighbors for making the holiday season special for all of us here in Stratford Gardens!

As a reminder, it is only through the neighborhood association dues that Stratford Gardens Homeowners Association members pay that we are able to enjoy neighborhood benefits such as the holiday gathering, social activities, snow removal services and added KCMO security patrol. If you live in Stratford Gardens and have not yet joined the Association, please contact Patty Steele at psteele@ha-kc.org.

SECURITY UPDATE:

From our KCMO police department patrol partners:
FYI – If you own a doorbell security camera system such as Ring, Nest or others, you can register your camera online with the KCMO police department. This does not give KCMO police the ability to view your camera, but it does register that there is a camera, and could be useful to the police in the event of an occurrence in the area.
