HA-KC WEB SITE

<https://www.ha-kc.org>

HOA DUES/Assessments may also be made from the HA-KC WEB SITE. Once you receive your annual invoice you are assigned an Account Number and you will use this to set up your payment account.

This link is to an online payment service that provides this service for a fee. The fee varies, depending on the service you select. Zego, the provider, retains the entire fee.

When you register, you will be asked for an account number (under New Users Registration). You will find this in the upper right-hand corner of your dues statement. Enter all eight or nine numbers in the account number box on the registration form, in this format: 12-345678 or 123-456789.

If you have problems registering, call Zego support at 866-729-5327.

NOTE: When mailing a payment to meet a deadline the envelope must be “**postmarked**” before the due date or will be considered late no matter what the date of the check is.
