

August 26, 2018 Board Meeting Blue Hills Estates Homes Association Board of Directors

In attendance: Carrie Muldoon, Laquisha Ross, Ed Vanbuskirk, Donna Ramel

Items discussed:

1. Discussed logistics for Dumpster Day scheduled for September 8th. Distributed fliers that boards members will deliver by hand.
2. Discussed plans for a neighborhood project to enhance the islands led by Carrie Muldoon.
3. Discussed known violations of the restriction prohibiting outbuildings at length. We also discussed options available to the board for enforcing the restriction, resolving violations and costs associated with those options.
4. Discussed having one or two of the board members attend a Neighborhood Leaders Training offered by UMKC. Agreed that attending the spring course could be a viable option for the members.
