Jeremy Nelson--Islands Chair

Installation of Officers--

Peggy and Margie were installed to second term from 2018-2020; Dianne to third term and Jeremy to first term.

Budget--The budget is balanced and reserves are as directed.

Reply to Margie's budget questions from Patty Steele--

The \$592 for Annual Meetings was a reimbursement to you for \$85.71 (May 2017), a payment to Print Time for \$181.30 (May 2017), and postage for mailing to US Postmaster for \$225.89 (March 2018).

The \$145.33 for Meetings was the All Board's Dinner for \$120 (Dec 2017), and President's Luncheon for \$25.33 (March 2018).

Does Prairie Ridge purchase its own stationery or office supplies? I am not sure what the association would do that would utilize this account.

Fun Fest--A check and reservation have been sent to Crave for the June 10, 2018 event at Bennett. Dianne has secured the bounce house for this and ice cream social.

It was discussed that the association will consider supplying ice cream bars for this event.

Two different colored tickets will be given to each resident, one for the dinner and the other for the ice cream.

Jeremy will investigate a microphone or guitar speaker for music at the event.
