

Annual Homes Association Meeting
Mission Hills Country Club
Wednesday, January 21st 2015

Meeting was called to order at 6:15 PM. Board members in attendance were Treasurer Dan Sullivan, Secretary Shelly Marsh, Bob Stopperan, Bill Bruning and Jerry Donohue. Distinguished guest in attendance was Mayor Rick Boeshaar.

2014 Annual Meeting minutes approved unanimously.

Jerry Donohue was re-nominated to the board and will serve until January 2017.

Treasurer Dan Sullivan reported that total assets are \$38,238.97. A budget for 2015 was presented and approved.

Ms. Marsh talked about adding additional plinths under the plinths that have already been installed under the foxes at Tomahawk and High. It was determined that more height was needed to make them more visible. Mr. Bruning updated everyone on the completed project at Belinder and 71st. We will move forward with changing the signage hopefully this next year.

An update was given on the Emerald Ash borer and the effect it is having in the city. So far the EAB has not been found in Mission Hills.

There were several complaints about the curbs in the city. The city has done an inventory and is aware of what needs replaced.

Meeting was adjourned at 6:50. Minutes submitted by Shelly Marsh
