1940 Tax Assessment Photos

### Discover Our Neighborhood's History!

Did you know you can view historical photos of properties in our area from the 1940 tax assessment? This incredible collection offers a glimpse into the past, showcasing buildings, businesses, and landmarks as they stood decades ago.

Since most images aren't identified by address, the best way to find a specific block or property is by keyword searching the nearest street intersection (e.g., *10th and Baltimore*). You can also browse indexed names of well-known buildings, neighborhoods, and landmarks (e.g., *Union Station, Municipal Auditorium*).

Call for Volunteers

Armour Fields is one of the largest HOAs in Kansas City, and it takes a lot of work to keep things running smoothly. We can't do it without the help of volunteers!

- **Website Support:** Someone with basic web experience to create a simple site with contact info and occasional event updates. If interested, [email Lindsay Buhs](#).
- **Social Media:** Someone to post updates on Nextdoor and Facebook more regularly. This can be the same person as the website person, or two separate roles. If interested, [email Lindsay Buhs](#).
- **Event Helpers:** Volunteers to assist before and after events to keep things running smoothly. If you can help, [email Laura Flynn Golec](#).

Even a little help goes a long way—thanks for supporting our neighborhood!
