## Excellence Prevails with Home(s) of the Month

**G**oing Strong! Three more Home of the Month distinctions recognizing our neighbors; the Snitz's, the Binford's and the Ferguson's are featured. Will you be next? As you know, this exciting distinction is a "pass along" program whereby the homeowner with the Home of the Month sign on their lawn will choose the next recipient. Maybe a neighbor has added a visible deck, repainted the house, has a beautiful fall flower garden, or a perfectly manicured lawn rivaling the best golf course. And you don't have to select a homeowner that you know. Just leave a note in their mailbox and introduce yourself! Will you wake up with the sign on your lawn? If so, give Norma a call 523-7768 and she'll stop by to take the picture of you & your home.

## Save the Date

Put the following Greenway Fields dates on your 2006 calendar now!

October 6 & 7  
Greenway Fields  
Neighborhood Garage Sale

\*  
December 3  
Annual Meeting and  
Holiday Party  
4-6pm

## Greenway Fields Homes Assoc. Lighting Contest

Start planning your holiday decorations! Judges will be canvassing the neighborhood the week of December 18th to find Best of Show, Most Elaborate, Most Original, Most Colorful, and The Best Block.

## Become a Block Captain

Each block in our Greenway Fields Neighborhood Association needs a Block Captain. The Block Captain is the liaison to his/her block and the Greenway Fields Board. For example, if the Board knows your street will be affected with construction of the sewer project, a Board member will call the Block Captain. The Block Captain will alert the neighbors of the block.

If you would like to be the Block Captain on your street, contact any of the Board Members for information.

# Picnic Enjoyed by All

A perfect afternoon with lots of smiling faces. The Annual Greenway Fields Picnic is one of the best opportunities to meet neighbors from around the block or across the way.

## Greenway Fields President's Report

As I write this report today, I am enjoying a wonderful cool morning after our much needed Sunday rain. Summer is beginning to wind down and the Board is looking forward to our Fall activities. I would like to highlight them for you.

### OCTOBER 6<sup>TH</sup> & 7<sup>TH</sup>

We are sponsoring our first neighborhood garage sale weekend. For those of you who keep thinking you need to get rid of all those priceless treasures this is THE weekend for you. We will place the ads in the Newspapers and place signs along our association perimeter. I hope that you will

### Are You the One?

Are you the one cares about your neighborhood and wants to participate on the homeowners' board? We meet quarterly and help shape how our neighborhood uses funds, interacts with city services and strengthens the cohesiveness of our neighborhood. Call Katie Allison or one of the board members.

get in the spirit - clean out - and earn some cash. I am already planning and hope you will too.

### DECEMBER 10<sup>TH</sup>

We will have our holiday party at Linda Vogel's again this year. At that time we will also have elections for Board of Directors. **Please think about placing your name in the running for our Board.** We will need to replace three individuals—including me. I will be stepping down after six years on the board. Talk with neighbors and submit names.

### SECURITY UPDATE

We had an attempted break-in on Greenway Terrace in mid-August. The homeowner interrupted the attempt at about 5:30 in the morning. After being contacted, we have increased the security patrol hours and have requested from the Kansas City Police increased coverage. No further incidences have occurred.

### LAST BUT NOT LEAST

Take time to look at our pictures. The early summer date for the picnic produced a great success; you can tell by the smiling faces. We have a great neighborhood!!! Our support of the candidate forum prior to the Primary was also successful—over 100 individuals attended the Sunday

afternoon event at St. John's Methodist Church. The question and answer session was top notch and a real learning opportunity.

We are in the planning stages for Water at Strawn Park and Landscaping at Monkey Island and the Greenway Terrace Entrance. IDEAS ARE WELCOME.

### A BIG THANK YOU TO THE BOARD FOR ALL THEY DO!

The Kansas City Neighborhood Advisory Council (KCNAC) and the Public Works Department would like to invite everyone to attend a Trash Appreciation Day in honor of the workers who pick up our trash, recyclables, and bulky items. The event will be held on September 27th, from 4:00 PM until 7:00 PM at the Brush Creek Community Center, 3801 Emanuel Cleaver II Blvd.

## B&B in Brookside

One of the homes in our neighborhood was featured in the Kansas City Star Home Edition on August 13, 2006. Most of you recognize the "Stone House" at the corner of 63rd and Wornall but did you know it is actually a Bed & Breakfast? The article highlights the owners, John & Janice Kinney as well as the fascinating history of the 1922 house.
