

Indian Fields Home Owner's Association newsletter

May 2015

- The Indian Fields Home Owner's Association board is seeking **nominations** for members to fill 3 spots on the board, effective September 2015. If you are interested, please contact Michelle DeCicco by May 15th. (michelleadecicco@gmail.com)
- The board has been fielding questions, comments and suggestions about all the new construction and remodeling of homes in Indian Fields as of late. The HOA has an existing **Design Review Committee** to review all construction in the neighborhood. We currently need 2 residents to help serve on the committee. If qualified persons are interested in helping the current committee on a part-time / as needed volunteer basis, please contact Mark Lieb by May 15th. (mark.lieb@mcliebdesigns.com)
- Indian Fields is going to have a neighborhood **garage sale** for any residents who want to participate. The tentative dates are Thursday, Friday and Saturday June 4th-6th. We will publish it on Craigslist in advance and provide some signage off of Roe and Mission. Please direct any inquiries related to the sale to Heather Powell. (heatherkhome@gmail.com).
- Save the date for the Indian Fields **Block Party** on **Sunday, September 20, 2015, 4-7pm** in the Homestead Drive Cul-de-sac (same location as last year). There will be face painting, magic tricks and a balloon artist for the kids and dinner, live music and more provided for all to enjoy
- We are working on assembling an updated Indian Fields **directory**, so if you have any changes, or if you are a **new resident**, please forward your information (name(s), address, home and cell phone numbers, email address) to CFoxworthy@ha-kc.org.

Thank you!!
