## **Indian Fields Homeowners! As Promised... the island retreat...**

*Do you “dig” our islands? or Do you just want to get “down and dirty” on our islands?*

*Either way – we want your help!*

Come to a special meeting of interested homeowners taking place at 7pm on Thursday, March 4 at the home of Board Member Molly Mitchell Danciger (4109 Delmar Drive). We will have refreshments, a special gift you can wear all summer to show your island spirit and a guest speaker who will discuss low maintenance plantings that will dress up all eleven Indian Fields Islands. Many hands make light work – come get involved! RSVP to Denise Jackson at [djackson@kc.rr.com](mailto:djackson@kc.rr.com) or (913) 677-4342

## **Address Curb Painting**

At the January Board Meeting, the Board passed a resolution to go ahead and paint any remaining addresses that have not been painted recently. If you have not painted your address on the curb – you do not need to - the Homes Association will be completing the entire neighborhood this Spring. There will be no additional charge. The Board, after reviewing the mid –year budget determined there is enough in the Association’s reserves to complete this project. If for some reason you want to “opt out”, please e-mail Scott O’Brien at [dawg66208@yahoo.com](mailto:dawg66208@yahoo.com). If you do want yours painted, you do not need to do anything.

## **Thinking about joining the Indian Fields Board? - Let us know!**

Your Board is comprised of nine homeowners from Indian Fields. The terms are for three years, with three new Board members coming on and three rolling off each year. The new appointments will be made at the annual meeting this May. Please e-mail or call Terry O’Toole at [totoole@kctg.com](mailto:totoole@kctg.com) or (913) 262-7064 if you have an interest. Consider giving back to your wonderful neighborhood!

## Leaf pick-up in the Fall – Are you interested?

Although it is a ways away at this point, the Board was asked to consider setting up a program where on selected Saturday's in the Fall you are able to rake your leaves to the curb and a company will come by and collect them! Keep in mind that Deffenbaugh's new contract with the city will have a limit to compostable disposal. You won't be able to set out 20 lawn and leaf bags at one time. There would be an additional charge beyond your normal homes association dues. We will discuss further at the annual meeting in May. Give it some thought.

### BOARD MEETINGS...

## Save the Dates!

**Second Annual Indian Fields Block Party and Street Dance.** More details to come, but mark **June 12th** on your calendar. Plan on sharing an early summer Saturday visiting old neighbors and meeting some new. If you missed it last year – you don't want to miss it again! A great time was had by all! Live music will again be provided by the band **83<sup>rd</sup> Street Jumbled**, classic rock and roll from people who were actually there...

**The Annual Meeting** will be held **Thursday May 27, 2010**. Come enjoy dinner at the wonderful jewel of a venue nestled in the trees of the neighborhood, Homestead Country Club. Hear about what your Board did in the last twelve months and tell them what you would like to see in the next dozen!

## New Directory

Special Thanks to Chip Cooper, Indian Fields resident who spent countless hours putting together and organizing the new directory. If you see Chip, please 'thank' him for his assistance to the Board and the neighborhood!
