Annual Association Meeting

Tuesday, June 10th ~ 6:30 PM

Kenilworth Apartments Club House
4120 W 94th Terrace
Prairie Village

Gather with your neighbors to hear a presentation on city and neighborhood issues by your Overland Park and Prairie Village City Councilmen. There will be time for discussion and questions afterward. A short business meeting will follow to review the Association Financial Status and elect three Board members with terms expiring.

Home Improvement Requirements

In the past year several homeowners have added garages or done extensive remodeling of their residences. Home improvements are always welcome since they add value not only to the individual residence but also to the neighborhood. If you are considering any type of modification to your property, such as adding a garage, adding a room, building a patio, changing or installing a fence, you are advised to contact Clarence 'Fox' Foxworthy, Executive Director of the Homes Association of the Country Club District, with your plans for review and approval. Fox will review your plans for conformance with Kenilworth Deed Restrictions. Depending on the nature and scale of the proposed changes the HACCD office may request a copy of the Architectural Plans and Specifications to conduct this review. If necessary the Executive Director may meet with the homeowner and Architect or Contractor to complete the review. The homeowner pays a \$75.00 fee for this service and is issued a Certificate of Approval for the proposed project. This process is part of your Kenilworth Homes Association mission - and legal obligation - to preserve our community by insuring the deed restrictions are met in order to maintain the value of the homes in our neighborhood. You will find the HACCD staff to be very helpful in this process. They can be reached 9:00 AM to 4:30 PM Monday through Friday at:

NOTE: The Homes Association review of home improvement plans is for compliance with Deed Restrictions only and is independent of City Building Code requirements. Obtaining a Building Permit does not indicate that Deed Restrictions have been considered or have been met. Two distinct reviews are involved.

Independence Day Parade

4th of July Parade...

Again this year we will have our **4th of July Parade** and all are invited.

We will assembly on Alhambra at 93rd Street at 9:00 AM and start the parade at 9:15 AM. Last year we had over 200 folks... with many kids and grand-kids on decorated bikes and wagons. Everyone is invited! The Parade will end at the Church at 91st and Alhambra where drinks will be provided. Please bring a sample of your favorite cookies, cake or other desert for all to share. As usual, we will have a large Moonwalk/Slide for the kids.

Sharon Weaver chairs this annual event and requests a Co-Chair to help her. We would also like a few volunteers to assist her that morning. Please call her at 649-5024 if you can help. Thanks

Landscape Planting

Resident volunteers who have agreed to "adopt" the various islands and entrances will begin this year the week of May 19th to beautify our neighborhood. We can always use extra help, contact Jennifer if you can assist on initial planting or occasional maintenance (weeding and watering) during the year.

Volunteers, your efforts are greatly appreciated by all Kenilworth residents.

Thanks!
