**July 4th Parade on
Monday, July 5th
(The National day
of observance)**

Kenilworth again this year will celebrate the 4th with a parade. Meet at 9:00 AM at 93rd and Alhambra in the cul de sac. We then will walk, ride or drive through Kenilworth to the Lutheran Church where refreshments and bouncy fun for the kids will be available. The Kids and grandkids are all invited to decorate bicycles, trikes or wagons.

Reminder...

To continue to keep Kenilworth one of the best appearing neighborhoods in the area, we offer this reminder. In nearly all cases as you drive our streets, you see cars and trucks parked inside garages. Recently several homeowners have been parking their vehicles on their driveways or on the street all night. Let's try to get everyone back in the habit of using their garages every night. Thanks...

LANDSCAPE PLANTING

Spring planting is coming May 15!

All of the Kenilworth islands are planted and maintained by neighborhood volunteers. Our long-term plan is to reduce the number of bedding plants on the islands and replace them with colorful perennials that are more water-efficient and low maintenance.

The City of Prairie Village provides mowing services for us, free of charge. Your donation of water and weeding is always needed and appreciated.

If you have any questions, ideas for our islands or better yet, like to volunteer, please call Jennifer Kanan at 642-0212.

By the way, planting is a great way for high-school-aged children to earn community service hours.
