

July 1, 2014

Hello Neighbors!

Thanks to all of you who attended the annual meeting last month and to those who have signed up for eNeighbors since then. If you were not at the annual meeting, you missed a very informative presentation regarding eNeighbors and the benefits of signing up.

eNeighbors is a completely free, private, and secure website open only to residents of Mill Creek Farms. It is very user-friendly and allows registered homeowners to see the neighborhood bulletin board, directory, and calendar. eNeighbors also allows only verified, registered homeowners to post announcements, questions, and classified ads.

As we have lost our previous web hosting service, **eNeighbors is now the only method of communication between the board and the residents of MCF.** Currently, only 58 of the 75 homes in the neighborhood are registered. If you would like to receive communications from the board concerning upcoming events, board meeting minutes, and neighborhood alerts, you must register.

If you are one of the 17 homeowners not currently registered, please take a moment to do so. Please go to www.eneighbors.com, enter your address, and follow the prompts. Registration is quite simple and takes only a few minutes. If you have any issues, click on the "support" tab on the right side of the screen. There you can send an email regarding your problem and it will be answered promptly.

We cannot stress enough the importance of registering for this service in order for you to be aware of neighborhood events and announcements. Please let us know if you have any questions.

Your MCF Executive Board:

Bill Cunningham, President
Craig Steffen, Vice President
Maria Miller, Treasurer
Maria Copeland, Secretary
Joe Shum, At Large
