497464

THIS DECLARATION, Made on this 12th day of July, 1955, by J. C. Nichols Company, a corporation of Kansas City, Jackson County, Missouri, which corporation is the owner of all of the lots shown on the recorded plat of Blocks 1 to 5, both inclusive, and Lots 1 to 15, both inclusive, in Block 6, of Corinth Hills, which plat was recorded on June 2, 1955, in the office of the Register of Deeds of Johnson County, Kansas, in Plat Book 18, at Page 50.

WITNESSETH: That

WHEREAS, J. C. Nichols Company is now developing said Corinth Hills for high-class residence purposes, and it is its desire to continue the development of certain parts of such land and other land in this vicinity for such purposes, and for the creation and maintenance of a residence neighborhood possessing features of more than ordinary value to a residence community; and

WHEREAS, In order to assist it and its grantees in providing the necessary means to better enable it and its grantees to bring this about, J. C. Nichols Company does now and hereby subject all of the lots shown on the aforesaid plat of Corinth Hills to the following covenants, charges and assessments, subject to limitations hereinafter set forth.

DEFINITIONS OF TERMS USED.

The term "district" as used in this agreement shall mean, unless and until extended as hereinafter provided, all of the lots shown on said plat of Corinth Hills. If or when, other land shall, in the manner hereinafter provided for, be added to that described above, then the term "district" shall thereafter mean all land which shall from time to time be subjected to the terms of this agreement, including any future modification thereof. The term "improved property" as used herein shall be deemed to mean a single tract under a single ownership and use, and on which tract a residence has been erected or is in the process of erection or on which any other building not in violation of the restrictions then of record thereon is erected or is in the process of erection. Any such tract may consist of one or more contiguous lots or part or parts thereof. Any other land covered by this agreement shall be deemed to be vacant and unimproved.

The term "public places" as used herein shall be deemed to mean all streets, all parks at street intersections or elsewhere, and all similar places the use of which is dedicated to or set aside for the use of the general public, or for the

general use of all of the owners within the district, or which may, with appropriate consent, be used by all of the owners of the district.

The term "owners" as herein used shall mean those persons or corporations who may from time to time own the land within the district.

PUBLIC IMPROVEMENTS UNDER MANAGEMENT OF COMPANY OR ASSOCIATION.

All public improvements upon and to the land in the district, or improvements in public places shall be under the management or control of the Homes Association by whatever name it may be designated as hereinafter provided, as trustee; an association to be composed of the owners of the real estate in said District, which Association may or may not be incorporated as the members thereof may hereafter provide. But whether it is incorporated or not, it is understood and agreed that the members of the Association shall be limited to the owners of the land within the boundaries of the district as it exists from time to time. It is provided, however, that such management and control of said improvements shall at all times be subject to that had and exercised by any City, Township, County and State, or any of them, in which the land within the district is located. And in addition thereto, it shall have such further powers and duties as are hereinafter set forth, all of which may be exercised or assumed at the discretion of the Association.

The Association shall be the sole judge of the qualifications of its members and of their rights to participate in its meetings and proceedings.

POWERS AND DUTIES OF THE ASSOCIATION AS TRUSTEE.

The Association shall have the following powers and duties whenever in the exercise of its discretion it may deem them necessary or advisable, provided that nothing herein contained shall be deemed to prevent any owner having the contractual right to do so, from enforcing any building restrictions in his own name.

FIRST: To enforce, either in its own name or in the name of any owner within the district, any or all building restrictions which may have been heretofore, or may hereafter be imposed upon any of the land in said district, either in the form as originally placed thereon or as modified subsequently thereto; provided, however, that this right of enforcement shall not serve to prevent such changes, releases or modifications of restrictions or reservations being made by the parties having the right to make such changes, releases or modifications as are permissible in the deeds, contracts or plats in which such

restrictions and reservations are set forth, nor shall it serve to prevent the assignment of those rights by the proper parties, wherever and whenever such rights of assignment exist. The expenses and costs of any such proceedings shall, however, be paid out of the general fund of the Association as herein provided for.

SECOND: To provide for the plowing and removal of snow from sidewalks and the streets.

THIRD: To care for, spray, trim and protect and replant trees on all streets and in other public places where trees have once been planted, except where otherwise provided for; to care for, protect and replant shrubbery and resow grass in the parks which are in the streets or in the parks set aside for the general use of the owners of the district, or to which such owners have access and the use thereof.

FOURTH: To mow, care for and maintain parkings in front of vacant and other property; to cut and remove weeds and grass from such parkings or other places, and to cut and remove weeds and grass from other vacant property; to pick up and remove therefrom, loose material, trash and rubbish of all kinds, and to do any other things necessary or desirable in the judgment of the officers of said Association to keep such vacant and unimproved property neat in appearance and in good order.

FIFTH: To provide such lights as the Association may deem advisable on streets, parks, parkings, gateways, entrances or other features, and in other public or semi-public places.

SIXTH: To provide at suitable locations, receptacles for the collection of rubbish and for the disposal of such rubbish as is collected, and for the collection and disposal of garbage.

SEVENTH: To provide for the maintenance of tennis courts, playgrounds, gateways, entrances, drinking fountains, streams and other ornamental features now existing or which may hereafter be erected or created in said district in any public street or park, or on any land set aside for the general use of the owners in the district, or to which all of such owners have access and the use thereof; and also to provide for the maintenance of natural water courses within the district.

EIGHTH: To exercise such control over easements as it may acquire from time to time.

NINTH: To exercise such control over streets as may be within its powers and as it may deem necessary or desirable. To issue permits for plumbers or other parties to make cuts or excavate in streets when necessary for installation of utilities and to accept bonds or deposits for the repairing of such cuts. Said Trustee shall have full authority to prevent any excavation or cuts in streets without first requiring a reasonable deposit to insure the repair and future maintenance of such repairs. It being further understood that the Trustee may reserve the full right to make any or all excavations in streets; or the right to refill any excavation; or the right to repave any cuts, or the right to repair any damages, in its option, to any improvements in the streets, and pay the cost of the same out of the deposits made as above provided; subject at all times to the control of city or county or other proper officials as may have jurisdiction over streets.

TENTH: To repair, oil, maintain, repave and reconstruct paved streets or roads, lanes and pedestrian ways, and to clean streets, gutters, and sidewalks and pedestrian ways.

ELEVENTH: To erect and maintain signs for marking of streets.

TWELFTH: To provide means for furnishing water, gas and electricity for the purposes of heating, power and lighting, and other utilities to the owners within said district, and for such purposes to purchase water, gas, electricity or heat or power from any cities, or from other corporations, or private individuals and to distribute the same to the owners of the property within said district, and to provide means for furnishing transportation to the owners in said district, and to fix the charges to said owners for such services rendered and to collect for the same from such owners.

THIRTEENTH: To acquire or construct sewers or other methods of the disposal of sewage, and reconstruct, maintain or repair them after they have been once acquired or constructed, and to accept and exercise such rights in or authority over same and the rights-of-way for the same within or without the district as it may hereafter acquire and as may be reasonably necessary to properly serve and protect the real estate in the district. It is expressly understood and agreed that no part of the money in the general fund shall be used to construct lateral sewers or connections with the sewers which shall not be for the general use of all of the property in the district draining into such sewers unless such sewers or connections be built for the purpose of supplementing, or in-

creasing the capacity of or replacing those sewers and connections previously built.

FOURTEENTH: To reimburse the State, County, Township or City for expense of furnishing police service for the district, or to employ duly qualified peace officers for such purpose.

FIFTEENTH: To acquire and own the title to such real estate as may be reasonably necessary in order to carry out the purposes of the Association, and to pay taxes on such real estate as may be so used by it, and such taxes as may be assessed against land in public or semi-public places.

LAND ENTITLED TO BENEFITS.

No land shall be entitled to any of the benefits or improvements or services provided for by this Association unless the owner or owners thereof shall have subjected their land to the terms of this agreement and to the assessments herein provided for.

METHOD OF PROVIDING GENERAL FUNDS.

For the purpose of providing a general fund to enable the said Association to exercise the powers, and maintain the improvements and render the services herein provided for, all land within the boundaries of the district above described within one hundred fifty feet of any paved street open to vehicular travel shall be subject to an annual assessment which may be levied by the Association from year to year and shall be paid to the Association annually in advance by the respective owners of the assessable land subject thereto, which assessable land shall be deemed to be all of the lots in the aforesaid plat of Corinth Hills together with such other land as may from time to time be added to the said district as herein provided. The Association may from year to year fix and determine the total amount required in this general fund and may levy and collect an annual assessment not exceeding \$20.00 for each lot within the district as now or hereafter established, provided, however, that if in the sale of this land any lot or lots be divided into one or more building sites, each of which building sites shall be for a single residence and may consist of a part or parts of one or more lots as platted, then for the purpose of levying this assessment each of such building sites shall constitute one assessment unit and shall be liable for each annual assessment in the same way and manner as one platted lot under a single ownership. All building sites, consisting of either platted or unplatted land, which are now or may hereafter become a part of the district as herein provided

for shall be at least of such size as will under the restrictions of record, if any there be, permit the erection of a residence thereon. For the purpose of levying this assessment, the Association shall be the sole judge as to what may from time to time constitute a building site under the provisions of this paragraph.

The annual assessment upon each lot or building site as aforesaid may be increased by an amount not exceeding one hundred per cent (100%) of the \$20.00 maximum annual assessment which the Association may levy and collect from year to year, provided that at a meeting of the members specially called for that purpose, prior to the date on which the assessment is levied for the year for which such increase is proposed, a majority of the members present at such meeting authorize such an increase by an affirmative vote therefor; and provided, further, that the annual assessment upon each lot or building site as aforesaid may be increased by an amount not exceeding one hundred fifty per cent (150%) of the said \$20.00 maximum annual assessment, provided that at a meeting of the members specially called for that purpose, prior to the date on which the assessment is levied for the year for which such increase is proposed, three-fourths of the members present at such meeting authorize such an increase by an affirmative vote therefor. Whenever the Association may deem it advisable to submit to the members a proposal for increasing the amount of the annual assessment for a particular year, then it shall notify members of the Association by mailing to such members at the last known address with United States postage thereon prepaid, a notice of such meeting, giving the time and place at which it is to be held and the fact that an increase in the amount of the annual assessment is to be voted upon at such meeting. No increase in the amount of the annual assessment may be made for more than one year at a time.

ASSESSMENTS DUE NOVEMBER FIRST OF EACH YEAR.

The first assessment shall be for the fiscal year beginning November 1, 1955, and it shall be fixed and levied prior to November 1, 1955 and shall be payable on that date, and thereafter it shall be due and payable on the first day of November of each year. It will be the duty of the Association to notify all owners whose address is listed with the Association on or before that date, giving the amount of the assessment, when due, and the amount on each tract of land owned by them. Failure of the Association to levy the assessment prior to November first of each year for the next succeeding fiscal year beginning on November first,

shall not invalidate any such assessment made for that particular year; nor shall failure to levy an assessment for any one year affect the right of the Association to do so for any subsequent year. When the assessment is made subsequent to November first of any year, then it shall become due and payable not later than thirty days from the date of levying the assessment. Prior to the first assessment hereinabove provided for, if the Trustee shall deem it necessary for the purpose of carrying out the terms of this agreement, it shall have the right to make a partial assessment within the limits herein provided for and on a pro rata basis for the period of time ending October 31, 1955. Thereafter all assessments shall be made annually as herein provided.

WHAT CONSTITUTES NOTICE.

A written or printed notice thereof, deposited in the United States Post Office, with postage thereon prepaid and addressed to the respective owners at the last address listed with the Association, shall be deemed to be sufficient and proper notice for this purpose or for any other purpose of this contract, where notices are required.

LIEN ON REAL ESTATE.

The assessment shall become a lien on said real estate as soon as it is due and payable as above set forth. In the event of failure of any of the owners to pay the assessment on or before the first day of December following the making of such assessment, then such assessment shall bear interest at the rate of ten per cent per annum from the first day of November, but if the assessment is paid before the first day of December, or within thirty days from the date of the assessment, if the assessment is made subsequent to October 1st for the fiscal year beginning November 1st, then no interest shall be charged.

WHEN DELINQUENT.

On or after the first day of December of each year, beginning December 1, 1955, or within thirty days from the date of levying the assessment for the fiscal year during which and for which the assessment is levied, the assessment shall become delinquent and payment of both principal and interest may be enforced as a lien on said real estate, in proceedings in any court in Johnson County, Kansas, having jurisdiction of suits for the enforcement of such liens. It shall be the duty of the Association to bring suits to enforce such liens before the expiration thereof. The Association may at its discretion file certificates of non-payment of assessments in the Register of Deeds Office whenever any such assessments are

delinquent. For each certificate so filed, the Association shall be entitled to collect from the owner or owners of the property described therein a fee of \$2.00, which fee is hereby declared to be a lien upon the real estate so described in said certificate and shall be collectible in the same manner as the original assessments provided for herein and in addition to the interest and principal due thereon.

TERMINATION OF LIENS.

Such liens shall continue for a period of five years from the date of delinquency and no longer, unless within such time, suit shall have been instituted for the collection of the assessment in which case the lien shall continue until the termination of the suit, and until the sale of the property under execution of the judgment establishing same.

EXPENDITURES LIMITED TO ASSESSMENTS FOR CURRENT YEAR.

The Association shall at no time expend more money within any one year than the total amount of the assessment for that particular year, or any surplus which it may have on hand from previous assessments; nor shall said Association enter into any contract whatever, binding the assessment of any future year to pay for any such obligation, and no such contract shall be valid or enforceable against the Association except for contracts for utilities; it being the intention that the assessment for each year shall be applied as far as practicable toward payment of the obligations of that year, and that the Association shall have no power to make a contract affecting the assessment of any future or subsequent year except for utilities.

OTHER LANDS - HOW THEY MAY BE ADDED.

J. C. Nichols Company may from time to time add such land to the district, as is now or hereafter owned or approved for addition by it; provided that the land so added to the district shall at that time be bound by all of the terms of this agreement and any future modifications thereof. The Association may also unite or combine with any other association similarly organized, operating on a similar basis having jurisdiction of land lying within the City of Prairie Village, Kansas, or within Mission Township, Johnson County, Kansas, or both.

ASSOCIATION TO NOTIFY MEMBERS OF ADDRESS.

The Association shall notify all owners of land in the district as it may exist from time to time, insofar as the address of such owners are listed with said Association, of the official address of said association, as to what

place and time regular meetings of the Association shall be held, designating the place, where payments shall be made, and any other business in connection with said Association may be transacted, and in case of any change of such address, the Association shall notify all the owners of the land in the district insofar as their addresses are listed with the Association, of the change, notifying them of its new address.

NEW POWER TO BE GIVEN.

By written consent of the owners of two-thirds of the area of the land within the said district, evidenced by an agreement duly executed and acknowledged, and recorded in the office of the Register of Deeds of Johnson County, Kansas, the Association may be given such additional powers as may be desired by said members, or may otherwise amend this instrument, provided, however, that no right to exceed the maximum annual assessment herein provided for may be given.

TEMPORARY TRUSTEE.

Prior to the actual organization or incorporation of the Association contemplated by the terms of this Declaration, J. C. Nichols Company shall have the right at its option to perform the duties, assume the obligations, levy and collect the assessments, and otherwise exercise the powers herein given to the Association, in the same way and manner as though all of such powers and duties were herein given direct to J. C. Nichols Company.

Prior to the actual incorporation of an association contemplated by the terms of this Declaration, J. C. Nichols Company shall have the right, which it may exercise, at its option or discretion, by an appropriate agreement in writing, duly executed, acknowledged and recorded in the office of the Register of Deeds of Johnson County, Kansas, to subject the land described in this Declaration together with any other land which may hereafter be added to the District, to the terms and provisions of any other Homes Company or Homes Association by and with its consent, and having within its jurisdiction, land situated solely within Mission Township, Johnson County, Kansas, or in the City of Prairie Village, Kansas, or both, provided such other association or company, by whatever name known, shall have no greater powers than are set out in this Declaration, and that it be at that time duly incorporated under the laws of the State of Kansas; and, provided, further, that all members or owners of land within the District as it exists from time to time shall have equal rights and privileges of membership. No association contemplated under the terms of this Declaration

may be incorporated or assume any of the rights hereunder without the consent of J. C. Nichols Company and its relinquishment of its rights as temporary Trustee.

TO OBSERVE ALL LAWS.

Said Association shall at all times observe all of the State, County and other laws, and if at any time any of the provisions of this agreement shall be found to be in conflict therewith, then such parts of this agreement as are in conflict with such laws shall become null and void, but no other part of this agreement not in conflict therewith shall be affected thereby. The Association shall have the right to make such reasonable rules and regulations and provide such means and employ such agents as will enable it to adequately and properly carry out the provisions of the agreement, subject however, to the limitations of its rights to contract as is herein provided for.

HOW TERMINATED.

This agreement may be terminated and all of the land now or hereafter affected may be released from all of the terms and provisions thereof by the owners of two-thirds of the area subject thereto at the time it is proposed to terminate this agreement, executing and acknowledging an appropriate agreement or agreements for that purpose and filing the same for record in the office of the Register of Deeds of Johnson County, Kansas.

COVENANTS RUNNING WITH THE LAND.

All of the provisions of this Declaration shall be deemed to be covenants running with the land, and shall be binding upon J. C. Nichols Company, and upon its successors and assigns.

IN WITNESS WHEREOF, J. C. Nichols Company has, by authority of its Board of Directors, caused this instrument to be executed by its President, and its corporate seal to be hereto affixed, the day and year first above written.
