(4) PORCH PROJECTIONS: Unenclosed, covered porches, balconies and porte cocheres having not more than 600 square feet of covered area may project beyond the front building lines not to exceed six (6) feet; on corner lots unenclosed, covered porches, balconies and porte cocheres having not more than 600

(c) In the event any of the limitations contained in Paragraphs (a) and (b) above are inconsistent with applicable building codes or other law, the latter shall govern.

SECTION VII. REQUIRED SIZE OF RESIDENCE.

Any residence erected on any lot in NORTH LAKES shall contain a minimum of two thousand (2,000) square feet of enclosed floor area, and any residence one and one-half (1 1/2) stories shall contain a minimum of one thousand seven hundred (1,700) square feet enclosed floor area on the first floor and any residence of two (2) stories in height erected on any of said lots shall contain a minimum of one thousand two hundred (1,200) square feet on such enclosed floor area on the first floor thereof.

The words "enclosed floor area" as used herein shall mean and include, in all cases, areas on the first and second floor of the residence enclosed and finished for all year occupancy, computed on outside measurements of the residence and shall not mean or include any areas in basements, garages, porches, or attics; PROVIDED, HOWEVER, that certain interior areas of the second floor need not be immediately finished for occupancy if the residence is so designed

and built that such areas can be finished at a later date without any structural changes being made in the exterior of the residence.

The Developer reserves the absolute and incontestable right to determine whether the enclosed floor area of any split-level or bi-level residence (as distinguished from traditional one and one-half (1 1/2) or two (2) story residences), and/or the enclosed floor area on the first floor thereof, meets the minimum requirements provided for hereunder, and such determination shall be final. The Developer hereby also reserves the right to change any of the enclosed floor area requirements set forth above.

SECTION VIII. FREE SPACE REQUIRED.

The main body of any residence, including attached garages, attached greenhouses, ells, and porches, enclosed or unenclosed, covered or uncovered, but exclusive of all other projections set forth in Section VI, erected or maintained on any of the lots hereby restricted or on any part or parts thereof, as shown on the aforesaid plat, shall not occupy more than eighty percent (80%) of the width of the lot on which it is erected, measured in each case on the front building line as shown on the aforesaid plat, or as established by the Developer in the conveyance of any lot, or on such front building line produced to the side lines of the lots, whichever line is of greater length, without the approval in writing of the Developer.

SECTION IX. RIGHT TO APPROVE PLANS.

No building or other structure shall be erected, placed or altered on any building plot in this subdivision until the building plans, grading plans, specifications, plot plan and other information required herein showing the location of such building have been approved in writing as to conformity and harmony of external design with existing structures in the subdivision, and as to location of the building with respect to topography and finished ground elevation by the Developer or its successor. The rights to approve plans as aforesaid shall be vested in an "Architectural Control Committee" which is hereby declared to be the Developer or its successors and assigns. For these purposes, as well as for the purpose of enforcing all other rights and restrictions herein contained, the Developer shall transfer, as hereinafter provided, said rights to a Homes Association to be formed for said subdivision and named NORTH LAKES HOMES ASSOCIATION, the same to be composed of the owners of all lots in said subdivision. If said authority to approve plans, as well as to otherwise enforce the provisions of these restrictions, is not sooner assigned or delegated by the Developer, it shall, in any event, be deemed automatically assigned to the NORTH LAKES HOMES ASSOCIATION, when Developer has sold all lots within said subdivision or December 31, 2002, whichever is first to occur.

Upon any such request for approval the party requesting such approval shall submit simultaneously with said request the following documentation:

(a) Four (4) exterior elevations delineating front elevation, back elevation, and both side elevations and a grading plan.

(b) A site plan of the house as it will sit on the lot.

(c) Floor plan.

(d) A list of all exterior materials to be used which will include roof, masonry, siding and windows.

(e) A landscape plan showing proposed planting for the yard.

(f) A schedule and sample of exterior colors to be used.

(g) A plan to prevent silt or soil flowing from the lot into any common area lake during and after construction.

The documentation listed above is intended only as a minimum requirement and the Architectural Control Committee shall be free to request any and all other documentation that said Committee in its sole discretion deems necessary. All such documentation shall be submitted in duplicate and shall be signed by the party requesting its approval.

In the event said Committee, or its designated representative, fails to approve or disapprove such design and location within sixty (60) days after said plans and specifications have been submitted to it, such approval will not be required and this covenant will be deemed to have been fully complied with. Neither the Developer nor its successors as the Architectural Control Committee, nor its designated representative, shall be entitled to any compensation for services performed pursuant to this covenant.

Anything in this Declaration of Restrictions to the contrary notwithstanding, the Developer, its successors and assigns, shall have, and do hereby reserve, the right to determine the location of all buildings upon the respective lot or lots, except as it may be restricted in the making of such determination by the provisions of Section VI and VIII herein, and the relocation of the top of the foundation thereof to the street level.

SECTION X. MAINTAINING SIGHT DISTANCE.

No fence, wall, hedge, or shrub planting which obstructs sight lines at elevations between two (2) and six (6) feet above the roadways, shall be placed or permitted to remain on any corner lot within the triangular area formed by the street property lines and a line connecting them at points twenty-five (25) feet from the intersection of the street lines, or in the case of a rounded property corner, from the intersection of the street property lines extended. The same sight-line limitations shall apply on any lot within ten (10) feet from the intersection of the street property line with the edge of a driveway or alley pavement. No trees on any such lot shall be permitted to remain within such distances of such intersections unless the foliage line is maintained at sufficient height to prevent obstruction of such sight lines.

SECTION XI. REQUIRED BUILDING MATERIALS.

Exterior walls of all buildings, structures, and appurtenances thereto shall be of brick, stucco, stone, wood shingles, wood siding, wood paneling, plate glass, masonite, or a combination

thereof. Manufactured stone and lava rock for exterior walls is prohibited. Windows, doors and louvers shall be of wood or colored metal and glass. Roofs shall be covered with wood shingles, wood shakes, slate or tile. Any building products which may come into general usage for dwelling construction in this area after the date of these restrictions shall be acceptable if approved in writing by the Architectural Control Committee. All wood and masonite exteriors, except roofs, shall be covered with a workmanlike finish of paint, stain and/or weather preservative, unless another finish is approved in writing by the Architectural Control Committee.

No building shall be permitted to stand with its exterior in an unfinished condition for longer than nine (9) months after commencement of construction. No completed building shall be permitted to stand with its exterior finish of paint, stain and/or other finish in an unsightly or deteriorated condition for more than thirty (30) days after written notice of such unsightly or deteriorated condition from the Architectural Control Committee. The determination that such condition is unsightly or deteriorated shall be in the sole discretion and judgment of the Architectural Control Committee and such determination shall be binding on the owner. In the event of fire, windstorm, or other damages, no building shall be permitted to remain in damaged condition longer than six (6) months. Any owner of a structure in violation of this section may, in the discretion of the Architectural Control Committee, be assessed a fine of from ONE DOLLAR (\$1.00) to ONE HUNDRED DOLLARS (\$100.00) per day for every day the violation continues.

The fine provided for herein, if not paid when due by said owner, shall become a lien upon the real estate upon which the structure in violation of this section is located, PROVIDED, HOWEVER, that such lien shall be inferior and subordinate to the lien of any valid first mortgage now existing or which may hereafter be placed upon said real estate. Said fines shall be due thirty (30) days from the date of notification of the then record owner of any lot upon which the violation occurs, and if not paid within said thirty (30) day period, shall bear interest at an interest rate selected by the Architectural Control Committee not to exceed the highest lawful rate until paid. Any such interest accruing shall also be a lien upon the real estate and all such liens may be enforced by the Association in any court having jurisdiction of suit for the enforcement of such liens.

SECTION XII. SODDED YARDS.

The entire front, rear and side yards of every lot in NORTH LAKES, and the unpaved portions of street right of way contiguous thereto, shall be sodded with grass at the earliest time after construction of a dwelling on said lot as the weather will permit, and in no instance will seeding or plugging be considered a substitute for such original sodding without the consent in writing of the Architectural Control Committee.

SECTION XIII. OUTBUILDING PROHIBITED.

No building or other detached structure appurtenant to the residence may be erected or placed on any of the lots hereby restricted without the consent in writing of the Architectural Control Committee.

SECTION XIV. FENCES, WALLS AND SHRUBS.

No fence, wall, shrub or hedge shall be erected, constructed, planted or maintained upon any of the lots hereby restricted without written approval as to material, design, shape, location, species and height by the Architectural Control Committee and said Architectural Control Committee shall have complete discretion with regard to such approval, PROVIDED, HOWEVER, that said Architectural Control Committee shall not approve any fence, wall, hedge or shrub that violates Section X hereof.

SECTION XV. ABOVE GROUND SWIMMING POOLS PROHIBITED.

No above ground swimming pool may be maintained upon any of the lots hereby restricted.

SECTION XVI. OIL TANKS PROHIBITED.

No tank for the storage of fuel may be maintained above the surface of the ground on any of the lots hereby restricted, without the consent in writing of the Architectural Control Committee.

No wild, semi-wild or domestic animals, reptiles or birds may be kept or maintained upon any of the lots hereby restricted without the consent in writing of the Architectural Control Committee,

except that no more than two (2) dogs, two (2) cats, two (2) rabbits, or two (2) birds or any combination of the foregoing specific animals listed in this exception not exceeding the aggregate two (2) may be kept on any such lots without such consent.

SECTION XIX. BILLBOARDS PROHIBITED.

No signs, advertisements, billboards or advertising structures of any kind may be erected or maintained on any of the lots hereby restricted without the consent in writing of the Architectural Control Committee, PROVIDED, HOWEVER, that permission is hereby granted for the erection and maintenance of not more than two (2) for sale signs on each lot or tract as sold and conveyed, which for sale signs shall not be more than eight (8) square feet in size and may be used for the sole and exclusive purpose of advertising for sale or lease the lot or tract upon which they are erected; and PROVIDED FURTHER, that nothing in this section shall be construed to prohibit the erection of subdivision entrance structures by the Developer, its grantees, assignees or licensees at such place or places as it or they may determine, which structures may or may not display the name of said subdivision.

SECTION XX. AUTOMOBILE REPAIRING AND STORAGE OF AUTOMOBILES, BOATS, TRAILERS, ETC.

No automotive repair or rebuilding or any other form of automotive manufacture, whether for hire or otherwise, shall occur on any of the lots hereby restricted, except that automotive repairs on a non-commercial basis and not for hire may be conducted in any

enclosed garage built on the said premises and permitted under other provisions of these restrictions.

No automobile, truck, motorcycle, motorbike, motor scooter, boat, airplane, house trailer, boat trailer, camping trailer, motor home or vehicle of any other type or description may be stored upon any of the lots or streets hereby restricted, except that such storage (except storage for hire) shall be permitted within the confines of any building built on any of the lots hereby restricted and permitted under other provisions of these restrictions. Nothing in this section, however, shall be so construed as to prohibit the regular parking of not more than two (2) automobiles, but not including a pick-up truck with camper, in running condition and in a reasonable state of repair and preservation on any driveway permitted to be maintained on any of the lots hereby restricted.

SECTION XXI. AIR CONDITIONERS.

SECTION XXV. YARD LIGHTS REQUIRED.

No residence upon any of the lots hereby restricted shall be occupied until a yard light has been erected and installed in the

front of each such residence. The Architectural Control Committee shall have complete discretion in regard to the size of said light, its design and location upon each lot, and must approve in writing said design, size and location of each yard light proposed to be used. All yard lights shall be powered by electricity and shall be controlled by a photo-electric cell which automatically turns said lights on at dusk and off at twilight, and said yard lights shall be maintained by the respective owners of the lots hereby restricted, said maintenance to include replacement of bulbs, repair or replacement of photo-electric cells, repair or replacement of wiring or the fixture itself as and when required so as to be continually and completely operational. The Architectural Control Committee shall have the authority to suspend this requirement in the event it determines that local or national energy shortages make desirable such suspension.

SECTION XXVI. EASEMENTS.

Easements for installation and maintenance of utilities and drainage facilities are reserved as shown on the recorded plat of NORTH LAKES.

SECTION XXVII. DURATION OF RESTRICTIONS.

Each of the restrictions herein set forth shall continue and be binding upon the Developer, and upon its successors and assigns, until December 31, 2010, unless amended as herein provided. After 2010, these restrictions shall automatically be continued thereafter for successive periods of ten (10) years each, unless extinguished

by the owners of the fee simple title to more than two-thirds (2/3) of all of the lots hereby specifically restricted executing and acknowledging an appropriate agreement or agreements in writing for such purpose and filing the same for record in the Office of the Recorder of Deeds of Platte County, Missouri, PROVIDED, HOWEVER, that no such agreement may affect the private open space or common properties without also bearing the duly acknowledged written consent of the City of Kansas City, Missouri.

SECTION XXVIII. RIGHT TO ENFORCE.

The restrictions herein set forth shall run with the land and bind the present owner, its successors and assigns, and all parties claiming by, through or under it shall be taken to hold, agree and covenant with the owner of the lots hereby restricted, and with its successors and assigns, and with each of them, to conform to and observe said restrictions, as to the use of said lots and the construction of improvements thereon, but no restrictions herein set forth shall be personally binding on any corporation, person or persons, except in respect of breaches committed during its, his or their seisin of, or title to said land; and the Developer, its successors and assigns, and also the owner or owners of any of the lots hereby restricted, shall have the right to sue for and obtain an injunction, prohibitive or mandatory, to prevent the breach of, or to enforce the observance of, the restrictions above set forth, in addition to ordinary legal actions for damages, and failure of the Developer, its successors or assigns, or any owner or owners of any lot or lots hereby restricted to enforce any of the restrictions

herein set forth at the time of its violation shall in no event be deemed to be a waiver of the right to do so thereafter. The Developer, its successors and assigns, shall be entitled, in addition to the other relief herein provided for, to recover reasonable attorneys fees incurred in the event such proceedings for enforcement or observance of these covenants are successful. The Developer may, by appropriate agreement made expressly for that purpose, or by means of express words to that effect, contained in a deed to any lots restricted hereby, assign or convey to any person or corporation all of the rights, reservations and privileges herein reserved by it in respect to all or any part of said lots, and upon such assignment or conveyance being made, its assigns or grantees may at their option exercise, transfer or assign these rights, or any one or more of them, at any time or times, in the same way and manner as though directly reserved by them, in this instrument. same for record in the office of the Recorder of Deeds of Platte County, Missouri. When any other land is so subjected to the provisions hereof, whether the same consists of one or more tracts or whether said additions shall be made at one or more times, said land so added shall be subject to all of the terms and provisions hereof, in the same manner and with like effect as though the same had been originally described herein and subjected to the provisions hereof.

SECTION XXX. COMMON PROPERTIES.

(a) TITLE TO COMMON PROPERTIES: Developer covenants for itself, its successors and assigns, that it shall, prior to the conveyance of the first lot or parcel, convey to the Association, at no cost thereto, by Special Warranty Deed, certain common areas. All real property and improvements owned by the Association, or in which the Association has an easement for the use, care, or maintenance thereof, shall be used for recreational purposes for the common use and enjoyment of owners and for such other purposes as may be permitted in these covenants. Upon such conveyance, the Association shall immediately become responsible for all maintenance, operation and expenses associated with the Association properties. The real property which may be conveyed to the Association by Developer shall be conveyed subject to (i) the lien of property taxes and assessments not delinquent, (ii) all restrictive covenants of record at the time of the conveyance, including these covenants, (iii) certain rights and reservations of Developer as set forth hereafter which may also be included in instruments and conveyance from Developer to

(b) The Association shall continue to be responsible for all use, care, maintenance, operation and expenses of the common properties and, in the event of the dissolution, termination or other expiration of the legal status of the Association, the use, care, maintenance, operation and expense of said common properties shall become and be the responsibility of the individual owners of the lots in the subdivision of NORTH LAKES.

(c) MEMBERS' EASEMENTS OF USE AND ENJOYMENT OF ASSOCIATION PROPERTIES:

(1) Each owner of a lot shall have a non-exclusive easement of use and enjoyment of, in and to the Association properties, and such easment shall be appurtenant to and shall pass with the title to every lot.

(d) EASEMENTS ON COMMON PROPERTIES: The right and easements of enjoyment created hereby as to the common properties shall be subject to the rights of the Developer and the Association to assign or convey sewage, water, drainage and other utility easements over, through or under all or any part of such common properties consistent with the intended use of the common properties and shall further be subject to the rights of the Association as established in the Association Declaration filed simultaneously herewith.

SECTION XXXI. PARTIAL INVALIDITY.

Invalidation of any one of these covenants or restrictions by

judgment or court order shall in no wise affect any of the other provisions which shall remain in full force and effect.

SECTION XXXII. PRIORITY OF LAWS AND ORDINANCES.

In the event any restriction or covenant herein conflicts with any State, County or Municipal law, the latter shall govern.

SECTION XXXIII. MORTGAGE PROTECTION.

Notwithstanding any other provision of these restrictions, no amendment of these Restrictions shall operate to defeat and render invalid the rights of the Beneficiary under any first Deed of Trust upon a lot made in good faith and for value, and recorded prior to the recordation of such amendment, provided that after the foreclosure of any such first Deed of Trust such lot shall remain subject to these restrictions as amended.

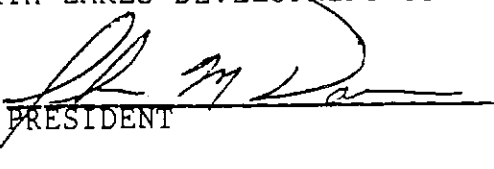

SECTION XXXIV. AMENDMENT OR MODIFICATION OF RESTRICTIONS.

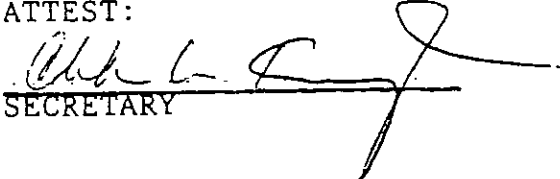

The covenants, agreements, conditions, reservations, restrictions, and charges created and established herein for the benefit of NORTH LAKES, and each lot therein, may be amended or modified with the written consent of the owners of two-thirds (2/3) of the lots in NORTH LAKES. No such amendment or modification shall be effective until the proper instrument in writing shall be executed and recorded in the office of the Recorder of Deeds for the County of Platte, State of Missouri and, PROVIDED, FURTHER, no such amendment or modification shall affect the private open space or common properties without the duly acknowledged written consent of the City of Kansas City, Missouri, PROVIDED, FURTHER, no such amendment or

modification shall be effective without the written consent of the Developer. Said written consent of the Developer shall be required until the Developer has sold all lots in NORTH LAKES or waived its rights under this paragraph or December 31, 2010, whichever shall first occur.
