THIS DECLARATION, Made on this 14th day of June, 1946, by J. C. NICHOLS COMPANY, a Corporation of Kansas City, Jackson County, Missouri, which Corporation is the owner of all of the lots shown on the recorded plat of Romanelli West, a subdivision of land in Kansas City, Jackson County, Missouri, as shown on the recorded plat thereof, on file and of record in the office of the Recorder of Deeds of Jackson County, Missouri, at Kansas City, under Document No. A-843164;

WITNESSETH THAT: WHEREAS, J. C. Nichols Company is now developing said Romanelli West for high class residence purposes, and it is its desire to continue the development and use of said land for such purposes, and for the creation and maintenance of a residence neighborhood possessing features of more than ordinary value to a residence community, and,

WHEREAS, in order to assist it and its grantees in providing the necessary means to better enable it and its grantees to bring this about, J. C. Nichols Company does now and hereby subject all of the lots in the aforesaid plat of Romanelli West to the following covenants, charges and assessments;

DEFINITION OF TERM USED:

The term "district" as used in this agreement shall mean, unless and until extended as hereinafter provided, all of the land included in the plat of Romanelli West, above mentioned, if or when other land shall, in the manner hereinafter provided for, be added to the land above described, then the term "district" shall thereafter mean all land which shall from time to time be subjected to the terms of this agreement, or any future modification thereof.

The term "improved property" as used herein shall be deemed to mean a single tract of land, under a single ownership and use, and on which tract of land a residence has been erected or is in process of erection, or on which any other building, not in violation of the restrictions then of record thereon, is erected, or is in the process of erection thereon. And any such tract of land may consist of one or more contiguous lots or parts thereof. Any other land covered by this agreement shall be deemed to be vacant and unimproved.

The term "public places" as used herein shall be deemed to be all parks at street intersections or elsewhere, and all similar places, the use of which is dedicated or is set aside for the use of the general public, or the general use of all of the owners within the district, or the general use of all of the owners within any one or more blocks, or which may, with appropriate consent, be used by all of the owners of the district.

The term "owners" as used herein, shall mean those persons, or corporations, who may from time to time own all of the land within the district.

PUBLIC IMPROVEMENTS UNDER MANAGEMENT OF ASSOCIATION:

All public improvements upon and to the land in the district, or improvements in public places shall be under the management and control of the Homes Association, by whatever name it may be designated as hereinafter provided, as Trustee; an Association to be composed of the owners of the real estate in said district, which Association may or may not be incorporated as the members thereof may hereafter provide, but whether it is incorporated or not, it is understood and agreed that the members of said Association shall be limited to the owners of land within the boundaries of said District as it may exist from time to time. It is provided, however, that such management and control of said improvements shall at all times be subject to that had and exercised by Kansas City, by Jackson County, and by the State of Missouri, or

any of them. And in addition thereto, it shall have such further powers and duties as are hereinafter set forth, all of which may be exercised or assumed at the discretion of the Association.

The Association shall be the sole judge of the qualifications of its Members and of their right to participate in its meetings.

POWERS AND DUTIES OF THE ASSOCIATION AS TRUSTEE:

The Association shall have the following powers and duties whenever, in the exercise of its discretion, it may deem them necessary or advisable; provided, however, that nothing herein contained shall be deemed to prevent any owner from enforcing any building restriction or restrictions in his own name.

FIRST: To enforce, either in its own name, or in the name of any owner within the district, any or all building restrictions which may have been heretofore, or may hereafter, be imposed upon any of the land in said district, either in the form as originally placed thereon or as modified subsequent thereto; provided, however, that this right of enforcement shall not serve to prevent such changes, releases, or modifications of restrictions or reservations being made by the parties having the right to make such changes, releases, or modifications as are permissible in the deeds, contracts, or plats, in which such restrictions and reservations are set forth, nor shall it serve to prevent the assignment of those rights by the proper parties wherever, and whenever, such right of assignment exists. The expenses and costs of any such proceedings shall, however, be paid out of the general fund of the Association, as hereinafter provided for.

SECOND: To provide for the plowing or removal of snow from the sidewalks and from the streets.

THIRD: To care for, spray, trim, protect and replant trees on all streets and in other public places where trees have once been planted, except where otherwise provided for; to care for, protect and replant shrubbery and resow grass in the parks which are in the streets or in the parks set aside for the general use of the owners in the district, or to which such owners have access and the use thereof.

FOURTH: To mow, care for, and maintain parkings in front of vacant and other property, and remove weeds and grass from such parkings or other public places, and to cut and remove weeds and grass from other vacant property; to pick up and remove therefrom, loose material, trash and rubbish of all kinds, and to do any other thing necessary or desirable in the judgment of the officers of said Association to keep such vacant and unimproved property neat in appearance and in good order.

FIFTH: To provide such lights as the Association may deem advisable on streets, parks, parkings, pedestrian ways, tennis courts, playgrounds, gateways, entrances or other features, and in other public or semi-public places, in addition to any such lights as may be furnished therefor by Kansas City, Missouri.

SIXTH: To provide at suitable locations receptacles for the collection of rubbish and for the disposal of such rubbish so collected.

SEVENTH: To provide for the maintenance of tennis courts, playgrounds, gateways, entrances, drinking fountains and other ornamental features now existing or which may be hereafter erected or created in said district in any public street or park, or on any land set aside for the general use of the owners in the district, or to which all of such owners have access and the use thereof.

EIGHTH: To exercise such control over easements as it may acquire from time to time.

NINTH: The Association shall have the right to expend the money hereinafter referred to belonging to it for any of the above purposes, and also for such other purposes not herein specifically mentioned as said Association, acting through its Board of Directors, may deem advisable for the general welfare of the district.

LAND ENTITLED TO BENEFITS:

No real estate shall be entitled to any of the benefits or improvements or services provided for by this Association, unless the owner or owners thereof shall have subjected their land to the terms of this agreement and to the assessments herein provided for.

METHOD OF PROVIDING GENERAL FUNDS:

For the purpose of providing a general fund to enable the said Association to perform the duties, maintain the improvements and exercise the powers herein provided for, all land within the boundaries of the district, as that term is hereinbefore defined, shall be subject to an annual improvement assessment to be paid to the Association annually in advance by the respective owners of the assessable land, subject thereto, which assessable land shall be deemed to be all of the land within the boundaries of the district lying within 300 feet of any paved street open to vehicle travel, exclusive, however, of all land contained in streets, parks, playgrounds or other public places open to the public or for the common use of the owners or residents of the land within the district, or to all of the owners of one or more entire block. The amount of such assessment shall be fixed by the Association from year to year, but shall be in the proportion of one (1) mill per annum for each square foot of all of the assessable land within 150 feet of any paved street open to vehicle travel and one-half (1/2) of one (1) mill per square foot per annum for all assessable land more than 150 feet and less than 300 feet from any such paved street.

Subject to the limitations hereinafter prescribed, the amount of the assessment may be increased to two (2) mills per square foot per annum on all of the assessable land within 150 feet of any paved street open to vehicle travel and to one (1) mill per square foot per annum for all assessable land more than 150 feet and less than 300 feet from any such paved street, provided that at a meeting of the members specially called for that purpose prior to the date on which the assessment is due for the year for which such increase is proposed, a majority of the members present at such a meeting vote for such an increase. Whenever the Association may deem it advisable to submit to the members a proposal for increasing the rate of the assessment for any particular year, then it shall notify members of the Association by mailing to such members at their last known address, with postage thereon prepaid, a notice of such meeting giving the time and place at which the meeting is to be held and advising the members of the fact that an increase in the rate of assessment is to be considered and voted upon at such meeting. No increase in the rate of assessment may be made for more than one (1) year at a time.

In the event that, pursuant to the provisions hereof, the territory comprising the district, as that term is hereinbefore defined, is combined and united with another Homes Association, or in the event that said territory is divided into two or more parts and united or combined with two or more other Homes Associations, then, and in either of said events, the right to levy and collect an assessment shall always be limited by the

amount of the assessment, which the Association or Associations, with which such union or unions and combination or combinations is made, has or have the right to levy and collect.

ASSESSMENT DUE APRIL 1ST OF EACH YEAR:

The first assessment shall be for the fiscal year, beginning April 1st, 1947, and it shall be levied prior to April 1st, 1947, and shall be payable on April 1st, 1947, and thereafter the annual assessments shall be due and payable on the first day of April of each year. It will be the duty of the Association to notify all owners whose address is listed with the Association on or before that date, giving the amount of the assessment, when due, and the amount due on each tract of land owned by them. Failure of the Association to make the assessment prior to April 1st of each year, or the next succeeding year, shall not invalidate any such assessment subsequently made for that particular year, nor shall failure to levy an assessment for any one year affect the right of the Association to do so for any subsequent year. When the Assessment is made subsequent to April 1st of any year, then it shall become due and payable not later than thirty (30) days from date of levying the assessment.

WHAT CONSTITUTES NOTICE:

A written or printed notice thereof, deposited in the United States Post Office, with postage thereon prepaid, and addressed to the respective owners at the last address listed with the Association, shall be deemed to be a sufficient and proper notice for this purpose, or for any other purpose of this contract where notices are required. Failure to give such notice to said owners shall not, however, make the lien of such assessment invalid.

LIEN ON REAL ESTATE:

The assessment shall become a lien on said real estate as soon as it is due and payable as above set forth. In the event of failure of any of the owners to pay the assessment on or before the first day of May, then such assessment shall bear interest at the rate of 8% per annum from the first day of April, but if the assessment is paid on or before the first day of May, or within thirty (30) days from the date of assessment, if the assessment is made subsequent to April 1st, for the calendar year beginning April 1st, then no interest shall be charged.

WHEN DELINQUENT:

On or after the first day of May of each year beginning May 1st, 1947, or within thirty (30) days from the date of levying the assessment for the fiscal year for which the assessment is made, the assessment shall become delinquent, and payment of both principal and interest may be enforced as a lien on said real estate in proceedings in any court in Jackson County, Missouri, having jurisdiction of suits for the enforcement of such liens. It shall be the duty of the Association to bring suit to enforce such liens as soon as they become delinquent, or as soon thereafter as said Association may deem advisable.

TERMINATION OF LIENS:

Such liens shall continue for a period of one year from the date of delinquency and no longer, unless within such time suit shall have been instituted for the collection of the assessment, in which case the lien shall continue until the termination of the suit, and until the sale of the property under execution of the judgment establishing same.

EXPENDITURES LIMITED TO ASSESSMENTS FOR CURRENT YEARS:

The Trustee shall at no time expend more money within any one year than the total amount of the assessment for that particular year, or any surplus which it may have on hand from the previous assessments, nor shall said trustee enter into any contract
